

BusConnects is a major investment programme to improve public transport in Dublin. It aims to overhaul the current bus system through a 10 year integrated programme of integrated actions to deliver a more efficient, reliable and better bus system for more people.

The core bus corridor project aims to deliver 230kms of dedicated bus lanes and 200kms of cycle tracks along 16 of the busiest corridors in Dublin. The National Transport Authority is now commencing a public consultation in relation to these proposals.

This public consultation for sixteen core bus corridors will take place over a **phased basis** starting from 14th November 2018 and will run until May 2019.

The public consultation for the **first four corridors** has now commenced and will end Friday 15th February 2019. We are now seeking submissions and observations for the following:

- **Clongriffin to City Centre**
- **Blanchardstown to City Centre**
- **Swords to City Centre**
- **Lucan to City Centre**

Details of the proposals for these **four corridors** are available for download on the website www.busconnects.ie or call Freefone 1800 303 653.

- Community Forum - The NTA will establish a Community Forum for each corridor where there will be an opportunity for a representative from Residents' Associations, Community Groups, Public Representatives and Interested Groups to get informed and engaged during the public consultation process. Please email cbc@busconnects.ie to get involved.
- Public Consultation Information events - A series of Public Consultation meetings will be held in venues along these corridors. Details of these can also be found on the website and in local newspapers in the coming weeks.

Details of the other twelve corridors will be published for public review in early 2019. Below is a list of the corridors and the proposed public consultation phasing.
