

**PUBLIC MEETING**  
**New Bus Corridors Proposal**  
**How will this affect You?**

Saturday 2<sup>nd</sup> February 2019 (11.30am – 1pm)

St. Joseph's Parish Hall, Beechlawn Way, Terenure.

This week the National Transport Authority (NTA) announced Phase 2 of the Bus Corridor Project. **Councillor Anne Feeney** is hosting a Public Meeting to give people an opportunity to hear a short presentation on the proposals and to discuss the impact for our area.

**Rathfarnham to City Centre**

**Tallaght to Terenure**

**Kimmage to City Centre**

Many residents are extremely concerned about these proposals, particularly the restrictions to cars on the main thoroughfares to the city and the consequent likelihood of many local residential roads being turned into "rat-runs" by the traffic diverted from main roads. There are also concerns about the extensive property compulsory purchase orders (CPOs) on roads such as Lower Kimmage Road, Terenure Road East, Rathgar Road and Rathfarnham Road.

Information on the Bus Corridors and the NTA's consultation process can now be viewed on [www.busconnects.ie](http://www.busconnects.ie).

*(Please note the early start time which will allow us to finish up well before the big match at 4.45pm)*
